

# ZONESPOT II HIGHBAY EMERGENCY LIGHT

## TWT8453WM

## Self-contained LED Emergency Light with 3 h Battery and Lumi Test Self-testing

The Zonespot II Highbay is a surface-mounted emergency light that is particularly suitable for high spaces. The luminaire's optics are designed to provide a broad, uniform light pattern that illuminates open areas effectively.

Thanks to the IP44 enclosure class, the Zonespot II is also suitable for damp areas. The luminaire is easy and quick to install thanks to a separate mounting base, which is also connected to the power supply.
